

### How to Register:

- Go to [www.RaceForTheRescues.org](http://www.RaceForTheRescues.org)
- Click on the “Register” Bone.
- Fill out your name, email address, and create a password. If you have participated in the past you can log into your account by clicking ‘Login to your account.’
- Scroll to pick your registration type (10k, 1k, etc.)
- Then choose your role by selecting "Join a Team"
- Search for your team name, and then select it.
- On the next page, fill in your personal information and agree to the terms and conditions.
- On the final page, complete your registration by paying the registration fee.

### How to Set Up Your Personal Page:

- Now that you have completed your registration, you will be directed to your race page.
- To personalize your Race Page, click on the pencil icon to edit each section:
  - Your account photo-don’t be afraid to use your own pet’s photos!
  - Your fundraising story- provide potential donors with a personal or heartfelt reason why you are involved, this will help convince them to give. Most people donate directly through this personal page. Let them know they have come to the right place and hook them in!
- To send your emails to friends and family through your race page go to “Messages” on the tool bar and click on “Compose a Message” in the dropdown. You can use our template letter but it’s always better to customize your own. To import your contacts from your personal email click “Import from Webmail,” and choose your email provider. Sending emails through your race page helps you track your fundraising communications more easily.
- To post to your social media accounts, make sure you are signed in “ Ask Friends to Donate” and the social
- Set your fundraising goal high, to change your fundraising goal click on the pencil icon on your fundraising thermometer. Kick off your fundraising by giving yourself the first donation; it really shows your commitment!
